Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for your customers' challenges. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	Describe the customer and their attributes here	male/female customer
I'm trying to	List the thing they are trying to achieve	to find the most demanded restaurant/food product.
but	Describe the problems or barriers that get in the way	i can't find accurate values.
because	Describe the reason the problems or barriers exist	i have less resources.
which makes me feel	Describe the result from experiencing the problems or barriers	dissatisfied.

Example:
